List of Effective Pages

Insert the revised pages into this manual and delete the obsolete pages. The letter “R” indicates a revised page, “A” is for added pages, and “D” is for deleted pages. Remove superseded and deleted pages from the manual; keep them in a separate file.

This list is a record of each page of subject revision and each previously issued page that is still current. Blank pages and pages that are no longer current do not appear on this list. If there is any question about the currency of the recipients manual, check each page in the manual against this list of effective pages. Remove any page that does not appear on the list of effective pages.

1.0 Introduction

This listing is a record of all ODA Unit Members and support staff. It tracks the capabilities and responsibilities of each unit member, including their assigned function codes, the forms that they are authorized to sign, and contains their signatures.

2.0 ODA Support Staff

Wencor executive management recognizes the value of the ODA unit operating within the Wencor company. To assist the Unit in functioning support staff is provided in the form of an ODA Auditor and a Training Coordinator.

2.1. ODA Auditor

The ODA Auditor is an individual independent from the ODA Unit who is assigned to perform all internal audits and to issue corrective action requests.

2.2. ODA Training Coordinator

The training coordinator will be responsible for preparing and conducting ODA Unit training for all members according to the procedures set forth in the ODA Manual Section 8.0. Additionally, the training coordinator will attend the FAA ODA training program, and will be responsible for creating the semi-annual ODA Unit training materials. The FAA will have access to review training material and may attend any training meeting of their choosing.
